RE: Village of Jackson Fire and EMS Department.

To whom it may concern,

My name is Gregg Rathke and I am writing to introduce myself, as I am interested in your current opening for the position of Firefighter/Paramedic.

Please review the enclosed resume, which highlights the skills and accomplishments that will enable me to contribute as a team member in the Fire Service. I have demonstrated teamwork and positive work habits throughout my education and in the work force. I would appreciate the opportunity to meet with you and discuss employment opportunities.

I enjoy the challenges and responsibilities involved in the Fire Service. I will apply my education and experience to field situations, with confidence. I have also proven my potential as a firefighter and emergency medical technician through my employment with the Jackson Fire Department, as well as LifeStar Emergency Medical Services. I will call upon the knowledge and skills I have learned through my schooling at MATC, MPTC, and the Jackson Fire Department throughout my career as a Firefighter/Paramedic. I strive to continue building skills and gaining experience on a daily basis.

Serving the Jackson area as a firefighter/paramedic would be both an honor and a privilege. To me, the fire service gives a true sense of accomplishment. The most rewarding feeling, in this life, comes from answering the call to serve.

Thank you for taking the time to review my qualifications. I am looking forward to the interview date. I appreciate the opportunity to be interviewed and answer any further questions you may have.

Sincerely,

Gregg Rathke
